

Property Management Information Database

Abstract

The client required improved Management Information for its Property lending portfolio. Avantage Reply was engaged to design and deliver a solution using a rapid application design approach to ensure timely delivery.

THE CLIENT

The client is a major UK Financial Services provider.

THE CHALLENGE

The Client required improved Management Information for its Property lending portfolio.

APPROACH AND SOLUTION

Avantage Reply designed and delivered a solution working alongside the larger and medium commercial property teams using a rapid application design approach. Workshops held on a weekly basis discussed issues raised and provided decisions to enable timely delivery of the solution.

RESULTS AND BENEFITS

A platform was created for use to improve data quality and further capture of information required for risk management and Management Information purposes.

Avantage Reply, part of the Reply Group, is specialised in Financial Services with a focus on Risk, Treasury and Capital and Financial Performance Management. With offices in Amsterdam, Brussels, Edinburgh, Frankfurt, Hamburg, London (head office), Luxembourg, Milan, Munich and Rome Avantage Reply counts some of the world's most significant financial groups among its clients, including well-known and respected organisations in the Banking, Insurance, Investment Management and Services, and Post Trading Services sectors. The firm's delivery capabilities cover advisory services (Risk/Finance/Treasury Subject Matter Expertise), Program and Project Management, Business, Functional, and Data Analysis.
